

BABY AND MUMMA GIFTS

BABY GIFT HAMPER CATALOGUE

OUR STORY

I remember being a brand new first-time mum. I remember the joy, and the struggles. But one of the main things I remember was the wonderful support around me, and all the wonderful gifts that were given to me. I loved being gifted everything from adorable baby clothing, to pamper products for me, to cute baby teddies. It all meant the world to me. When I created Baby and Mumma Gifts, I wanted everyone to have a beautiful store to shop for adorable gifts for babies and their nmums.

I created baby gift hampers that combine the needs of both mum and baby. I want every single baby gift hamper to be something special, that will delight every new mum when she opens her beautiful gift. Each baby gift hamper is made with love and is full of special gifts for new mums to love and cherish.
